for Information: Orders

In connection with the appointment Committee for devising a scheme for the Improvements of the Sanitary condition of the Mysore City, sanction-ed in Proceedings No.4168-79/L.F.36-02 of 15th September 1902 (Slip A). the Government also sanctioned the formation of "the Mysore City Improve-ments Range", under the charge of Assistant Engineer Mr.J.R.A.D'Cruz and he was placed with an executive and office staff under the orders of the Committee referred to above. He was also granted a personal allowance of Rs.50/- as a special case, in con-sideration of the magnitude of the operations to be carried out vide Pro-ceedings (P.W) No.1180-94/6152-73 of 28th October 1902 (slip B). Since then Mr.D'Cruz in active cooperation with the Sub Committee helped to formulate the several proposals for the improvements of the city, which have all been embodied in the pro-jects prepared by him and submitted by me to Government. Up to date the originally noted projects amounting to Rs. 15,16,489 have been considered

and Mr.D'Cruz is now employed on proposals for improvements to Fort, I have more than once expressed to the General Committee at their meetings, the thoroughly satisfactory manner in which Mr. D'Cruz has carried out the work entrusted to him, and also recorded my opinion as to what should be his status in the event of his services being placed at the disposal of the Board of Trustees which was then contemplated to be formed to carry out the several Sanitary improvements proposed by the Committee-Vide extract of Para IV of letter No. 5682 of 17-10-03 to the address of the General Secretary herein enclosed (slip C).

2. The Board of Trustees having since been authorised and Mr.D.Sitaram Rao having already been appointed Chairman of the Board and having joined his new appointment, I have directed Mr.D'Cruz to place himself with his present staff under the orders of the Chairman of the Board with effect from the last instant. In view of the important and responsible character of the work which Mr. D'Cruz will be called upon to do, I strongly recommend that his appoint-ment as temporary Executive Engineer, 6th class in charge of the Fort Improvements Division be gazetted while employed under the Board
